

**IMPROVE MAIL PRODUCTIVITY
AND REDUCE COSTS**

Address Printer HJ930

Take your mailings to the next level with the Hasler HJ930 high speed, high volume desktop address and bar code printer. Whether mailing out monthly invoices or tapping into new markets, your mail needs to be eye catching, error free and professional looking. The reliable HJ930 lets you turn a blank space on a standard envelope into a powerful medium for your message.

The HJ930 ensures maximum speed, accuracy and flexibility, while reducing your costs through higher efficiency, better Postal Service savings and greater in-house control of mail output. Combined with mail management software and the ability to print message lines in color, the HJ930 will reduce mailing turnaround time and increase your overall mailroom productivity.

The HJ930 provides valuable benefits:

- Prints up to 26,000 No. 10 envelopes per hour
- Reduces duplicates and cuts undeliverables
- Maximizes USPS discounts
- Eliminates cumbersome manual operation
- Uses HP Inkjet Technology

**Boost response rates with
accurate, professional mailings!**

HASLER
America's better choice.®

HJ930

ADDRESS PRINTER

Three Fixed Print Heads provide design flexibility and large print area up to 1.5" x 19.6".

Enhanced Graphics include 13 printer fonts plus downloadable True Type fonts, indicia/logo printing and spot color capabilities.

USPS Approved CASS/PAVE/POSTNET software is compatible with all Hasler Address Printers and ensures maximum postal discounts.

When it comes to speed, productivity, quality, flexibility and ease of use — Hasler offers a better choice.

Sample printed on corporate stationery

Flexibility

Fully compatible with the majority of address management software on the market, the HJ930 has the flexibility to let you make last minute changes with ease. Mail is easily grouped and pre-sorted, benefiting from the best USPS discounts, and the addressing detection feature reduces return, duplication and unnecessary mail costs.
